The General Meeting of Shareholders authorizes the Chairman of the Supervisory Board of Eurohold Bulgaria AD to enter into an agreement regulating the relations between the company and the newly elected member of the Supervisory Board.*)

The registration of the participants at the session will start at 09.30 a.m. (06.30 a.m. UTC) on 30 June 2021 at 43 Christopher Columbus Blvd., floor 1, Sofia, Bulgaria.

On grounds of Art. 115, paragraph 2 of POSA the Company notifies the shareholders that the total number of its shares as of the date of the resolution for convening the general meeting of the shareholders is 197 525 600 (one hundred and ninety seven million five hundred twenty five thousand and six hundred) and a voting right appertains to each share, ISIN code of the issue – BG1100114062. Only the persons registered as shareholders in Central Depository's registers, as well as in the Polish Central Depository (KDPW) 14 days before the date of the General meeting (namely 16 June 2021) shall be admitted to participation in the session of the General meeting. Only the persons registered till and including this date have the right to participate and to vote at the General meeting.

The shareholders have the right to include items in the agenda of the general meeting and to propose draft decisions of items, already included in the agenda of the general meeting. The shareholders who possess jointly and severally shares representing at least 5 per cent of the share capital of the Company may include additional items in the agenda of the general meeting or propose different draft decisions under items already included in the agenda of the general meeting after the announcement at the Trade register. These shareholders are not entitled to propose different draft decisions under items under items already included in the agenda, whereas the subject matter of the respective item is voting resolution under art. 114, paragraph 1 of the POSA, and they are not entitled to include in the agenda of the general meeting new items with respect to resolutions under art. 114, paragraph 1 of the POSA.

Not later than 15 days before the opening of the General meeting (15 June 2021), the shareholders who possess shares representing at least 5 per cent of the share capital of the company present for announcement in the Trade Register the list of the items, which will be included in the agenda, as well as the draft decisions. The shareholders shall present before the Bulgarian Financial Supervision Commission and the public company at the latest on the next business day after the announcement at the Trade register the materials related to the additional items in the agenda, pursuant to Art.223a, paragraph 4 of the Commerce Act. Upon receipt of the materials, Eurohold Bulgaria AD will update the invitation and will publish it together with the written materials under the terms and conditions of Art. 110t, paragraph 1 and 3 of POSA immediately, but not later than the end of the business day following the day of receipt of the notification for the inclusion of additional questions in the agenda.

The shareholders have the right to make draft resolutions in substance under each item, included in the agenda and observing all legal requirements, but they cannot propose resolution to items already included in the agenda when the subject matter is voting resolution under art.114, para. 1 of POSA. The deadline for execution of this right is up to the termination of the discussion under the respective item and before voting of the resolution of the general meeting.

The shareholders have the right to pose queries during the General meeting. The members of the management board and supervisory board of the Company shall respond truly, exhaustively and accurately to the queries of the shareholders, regarding the economic and financial status and business activity of the

Company, unless regarding the circumstances representing internal information. The shareholders may pose such queries regardless of the fact that they may not be related to the agenda.

In order to be admitted for participation in the General meeting, the shareholders should present an ID document and the proxies should present original explicit notarized power of attorney for the particular general meeting, with content corresponding to the requirements of Art. 116, paragraph 1 of POSA and the relevant legislation. The reauthorization with the powers granted by force of this power of attorney, as well as power of attorney which violates the rules under the previous sentence shall be null. The shareholders – legal entities and sole proprietors registered under Bulgarian laws should present certificate of good standing issued by the Trade Register. Foreign legal entities should present an original certificate of good standing of their registration, containing clear and unambiguous information regarding the persons entitled to represent the company and the way of representation, issued not more than 3 months before the date of the general meeting by a competent state body in the state of their registration, translated, certified and legalized according to the Bulgarian legislation.

The shareholders in the public company have the right to authorize each natural or legal person to participate and vote in the General meeting on their behalf. Art. 220, paragraph 1 of the Commerce Act will not apply in case the shareholder has explicitly stated the way of voting under each item of the agenda. The proxy has the same rights to speak and to pose queries at the session of the general meeting as the represented shareholder does. The proxy has to exercise the voting right in compliance with the instructions given in the power of attorney. The proxy may represent more than one shareholder at the General meeting. In this case the proxy may vote in a different way with shares owned by different shareholders it represents. The authorization may be performed by electronic means. Eurohold Bulgaria AD will receive and accept electronically as valid, powers of attorney to the following e-mail: investors@eurohold.bg, whereas the electronic messages should be signed with a universal electronic signature (UES) or a qualified electronic signature (QES) by the principal and should be accompanied by an electronic document (electronic image) of the power of attorney with a notarized signature, which should also be signed with a universal electronic signature (UES) or a qualified electronic signature (QES) by the principal. The shareholders, who will vote through proxies, explicitly authorize the proxies for the items on the agenda, included by the order of art. 118, para. 2, item 4 of LPOS, namely for items 14 and 15 of the agenda.

The written materials according to the agenda of the General meeting of the shareholders shall be at disposal of the shareholders and their authorized representatives at the office of the company – 43 Christopher Columbus Blvd., Sofia, Bulgaria at the office of the investor relation manager each working day between 09.00 a.m. (06.00 a.m. UTC) and 5.00 p.m. (2.00 p.m. UTC) and on the web page of the public company – www.eurohold.bg.

In case of lack of quorum on grounds of Art. 227 of Commerce Act in liaison with Art. 115, paragraph 14 POSA the session of the General meeting of the shareholders will be held on 16 July 2021 at 10.00 a.m. (07.00 a.m. UTC) at 43 Christopher Columbus Blvd., floor 1, conference hall, Sofia, Bulgaria, with identical agenda, and the registration of the participants in the new session will start at 09.30 a.m. (06.30 a.m. UTC) on 16 July 2021 at 43 Christopher Columbus Blvd., floor 1, Sofia, Bulgaria. Items under art. 223a of the CA may not be included in the agenda of the new session.

II. Activity of the Audit Committee for the year ended 31 December 2019

The activity of the Audit Committee for the year ended 31 December 2019 included:

- 1. Informed the management bodies on the results of the statutory financial audit and explained how the statutory audit contributed to the reliability of the financial reporting.**

For the year ended 31 December 2020, the Audit Committee of EUROHOLD BULGARIA AD performed independent monitoring and supervision over the process of preparing and presenting reliable and true financial information on individual and consolidated basis. In the exercise of its functions, the Audit Committee:

- Informed the management bodies of the Company on the results of the financial audit;
- Facilitated the adequate reporting of the Company's operations and ensured the reliability of the prepared individual and consolidated financial statements of EUROHOLD BULGARIA AD for 2020.

2. Monitored the financial reporting processes in the company

In 2020, the Company complied with and applied consistently adequate financial reporting in accordance with International Financial Reporting Standards (IFRS), as adopted by the European Union (EU).

Management was responsible for selecting and applying appropriate accounting policies. The Company had a comprehensive and adequate accounting policy, approved by the Management Board. The significant accounting policies used by EUROHOLD BULGARIA AD are described in the notes to the annual individual and consolidated financial statements. The Company has adopted all new standards, amendments and interpretations to IFRSs developed and published by the International Accounting Standards Board and adopted by the European Commission, which have an impact on the company's financial statements and are mandatory for the annual period beginning on 1 January 2020.

The financial statements of EUROHOLD BULGARIA AD are prepared on a going concern basis and under the historical cost principle modified as appropriate in accordance with the accounting policy. The Management is responsible for keeping proper accounting records, for appropriate management of the assets and for taking reasonable measures to prevent possible fraud and other irregularities.

In accordance with the Public Offering of Securities Act, the individual and consolidated interim quarterly and annual financial statements of EUROHOLD BULGARIA AD for 2020 were prepared and presented to the Financial Supervision Commission, Bulgarian Stock Exchange - Sofia, the investors and the public. For the purposes of the internal and external reporting, the Company has deadlines, at EUROHOLD BULGARIA AD level and at group level, for the preparation of the interim quarterly and annual individual and consolidated financial statements, for their approval by the management and their disclosure to regulators and the public through publication.

The Audit Committee is familiar with the contents of the interim and annual individual and consolidated financial statements and activity reports of EUROHOLD BULGARIA AD.

In the process of the completed statutory financial audit of the Company for 2020 it can be concluded that as far as we are aware, there are no significant deficiencies and/or weaknesses in the financial reporting process, which might affect the fair presentation of the financial position of the Company and EUROHOLD Group for 2020 with the exception of accounting for the investment in one of the subsidiaries in the individual financial statements and the reporting of insurance reserves and goodwill in the consolidated financial statements. In this respect there is a modified opinion issued in the auditor's reports on the individual and consolidated financial statements with respect to the result of the impairment test for the investment in a subsidiary in the individual financial statements and the goodwill in the consolidated financial statements as well as with regard of the applied methods and approach for calculation of the insurance reserves in the consolidated financial statements.

In the course of the activities performed by the Audit Committee there were no cases of legal and regulatory gaps, fraud and non-compliance with legal and regulatory requirements in the operations of EUROHOLD BULGARIA AD and its group.

3. Monitored the effectiveness of the internal audit systems and the risk management system in the Company

The Management Board of EUROHOLD BULGARIA AD is responsible for the management of the financial resources, the risk management of the Company and its economic group, for

the assessment and action taking to reduce the underlying risk and carrying out subsequent monitoring, overseeing the implementation and the results of the actions taken.

The effectiveness of the internal control system, established in the Company, allows for monthly financial analyses and control of current accounting in the Company and the Group. The internal control is a process established and maintained by the management and the personnel of the Company in order to provide reasonable assurance on the achievement of the objectives of the Company and its group with regard to the reliability of financial reporting, the effectiveness and efficiency of the operations and the activities, as well as compliance with applicable laws and regulations. The subsidiaries of EUROHOLD BULGARIA AD are subject to direct control by the parent company.

The Audit Committee is familiar with the internal control procedures and rules that apply at group level, and it has not identified significant gaps in the existing and operational control and/or accounting system. Based on the observations and checks, the Audit Committee confirms that in 2019 the financial reporting system of the Company is reliable and adequate and presents fairly the financial position of EUROHOLD BULGARIA AD on unconsolidated and consolidated level. The existing internal control system allows for effective management of the financial resources of the Company and its Group.

In 2020 the management of EUROHOLD BULGARIA AD engaged in effective risk management of the Company through the implementation of an effective system for their forecasting, reporting, taking corrective actions and monitoring. The annual unconsolidated activity report and the annual consolidated activity report for 2020, prepared by the Management Board of the Company, contained a comprehensive description of the types of risks affecting the operations of the Company and its group, as well as the risk management mechanisms. The Management Board adopted principles for financial risk management, based on which procedures were developed for managing individual risks, such as currency, interest rate, credit, liquidity, and others.

After the monitoring exercise of the risk management systems, the Audit Committee has noted that the Company effectively manages the risks, affecting its operations and the activity of the Group. No recommendations have been made on the structure, functions and processes of the internal control and the risk management system.

4 Monitored the statutory audit of the annual unconsolidated and consolidated financial statements, including review and monitoring of the independence of the registered auditor in accordance with IFAA.

In accordance with the Independent Financial Audit Act, EUROHOLD BULGARIA AD and its economic group are subject to statutory financial audit on individual and consolidated basis.

According to Art. 9, para. 1, item 5 of its Statute, the Audit Committee conducted a procedure for selecting a registered Auditor - Audit Firm for 2020, complying with the criteria set out in Appendix 1 to the Statute. As a result of the procedure, the Audit Committee proposed to the Management Board that the audit company ZAHARINOVA NEXIA OOD be selected. It is entered under Reg. No 138 in the public register of the registered auditors under Art. 20 of IFAA, which is available on the websites of the Institute of Certified Public Accountants (ICPA) and CPOSA.

In accordance with the provisions of the Accountancy Act and the Independent Financial Audit Act, on 30 September 2020 the General Meeting of Shareholders of EUROHOLD BULGARIA AD elected the audit company ZAHARINOVA NEXIA OOD to perform the statutory audit of the annual individual and consolidated financial statements of EUROHOLD BULGARIA AD for 2020.

The responsibilities of the audit firm ZAHARINOVA NEXIA OOD in relation to the audit of the individual and consolidated financial statements of EUROHOLD BULGARIA AD were included in the Audit Engagement Letter dated 26 October 2020. The Audit Committee was also aware with its content.

The audit of the individual and consolidated financial statements of the Company was performed by the audit firm ZAHARINOVA NEXIA OOD with leading auditor for the individual financial statements Grigor Petrov, CPA, Registered Auditor No 816 and leading auditor for the consolidated financial statements Dimitrina Zaharinoва, CPA Registered Auditor No 415, respectively. The Audit Committee reviewed the independence of the audit firm at the initial undertaking of the audit engagement, according to IFAA and Regulation 537/2014, as well as at the completion of the audit. Independence declarations were submitted to the Audit Committee. The audit of the individual and consolidated financial statements of the Company for the year, ending on 31 December 2020, was the first full uninterrupted statutory audit engagement carried out by the audit firm ZAHARINOVA NEXIA OOD. The responsible registered auditors are the leading auditors for the first year.

The independence of the auditor was monitored during the entire process of the audit, and the Audit Committee confirmed that the independent financial audit for 2020 was carried out lawfully and prepared in strict compliance with the requirements for independent financial audit. There are no threats to the independence and objectivity of the audit firm.

The remuneration of the auditing company for the statutory audit of the individual and consolidated financial statements of EUROHOLD BULGARIA AD does not exceed 15% of the audited company's income on information provided and the examination of the transparency reports.

In 2020, no approval by the Audit Committee for the provision of services other than statutory audit by the audit firm was sought.

In 2020, ZAHARINOVA NEXIA OOD has not provided other services to EUROHOLD BULGARIA AD outside of the audit of the financial statements.

The audit firm has provided services related to mandatory financial audit of the following subsidiaries of EUROHOLD BULGARIA AD:

- Insurance company Euroins AD
- Insurance company EIG RE EAD
- Insurance company Euroins Life EAD
- Euroins Insurance Group AD

Observations on the audit process have shown that it has been carried out in compliance with professional requirements.

The audit reports on an individual and consolidated basis are structured in a form consistent with the requirements set out in the International Standards on Auditing. The audit firm provided the additional reports under Art. 60 of the IFAA in accordance with the requirements of Art. 59 on the audit of the individual and consolidated financial statements. These reports summarize information from the meetings and communication with the management of the company and the Audit Committee with the audit firm regarding the audit planning, the timetable for conducting the interim and final audits, materiality levels, significant audit findings and other audit issues. The responsibilities of the auditor for the audit of the company's individual and consolidated financial statements and its independence are described. Audit reports are also presented.

During the reporting period, the Audit Committee contributed to ensuring the best conditions, created by management of the Company, to achieve an environment that guarantees transparency and independence in the process of performing the duties of the auditor. The Company met the deadlines for submitting the information required by the auditor, and granted the auditor full access to the requested information. During the audit, meetings were held between the auditor and the management of the Company at the accepting and planning of the engagement and planning stage and the completing to discuss the key matters. the management letter, the adjusted and non-adjusted errors.

Through communication with the registered auditor, the Audit Committee identified that the audit procedures were implemented responsibly and in accordance with the regulations. The audit was planned and performed with precision. The registered auditor has maintained communication with the Audit Committee in relation to the performance of the audit in separate stages, the progress of the audit and other ongoing issues, as well as regarding the final audit of the Company on individual and consolidated basis. The time schedule was kept in the period October – November 2020 and February to May 2021.

During the performance of the independent financial audit engagement, including the period of the engagement and the process until the issue of the audit reports, there were no problematic issues identified in relation to IFAA regarding the registered auditor.

In 2020, the audit firm was included in the plan for planned inspections of CPOSA for quality review. The inspection was completed with a Report of 17 March 2021 with the opinion that the activity of the enterprise is in compliance with all material aspects of the quality requirements of the audit services performed by applying the procedures set out in the professional standards. The assessment given by the Commission of the quality of the registered auditor's professional activity is an 'A' assessment.

The monitoring of the Audit Committee indicated that the audit service provided by the registered auditor was objective, the overall operations of the Company were audited, and the auditor's reports were prepared in accordance with the statutory requirements.

The complete set of the audited annual individual and consolidated financial statements of the Company, together with the other information thereon was approved and adopted by the management Board of EUROHOLD BULGARIA AD after coordination with the Audit Committee.
