**CONVENING NOTICE TO THE ANNUAL GENERAL MEETING OF SHAREHOLDERS OF
COAL ENERGY S.A.**

Luxembourg, 21st November 2023

Dear Shareholders,

Due to the exceptional political and military circumstances in Eastern Ukraine (location of Company’s assets) the Company was unable to pursue the annual audit procedure for FY2022. The Company has nevertheless been able to prepare and release unaudited consolidated financial statements for the mentioned financial year.

Despite the exceptional circumstances, the Company makes every effort to comply with its legal obligations, and to respect the rights of its shareholders. The board of directors has therefore decided to convene the annual general meeting of the Company on the date 21st December 2023. The annual general meeting will be held even though no audited financial report has been prepared. The annual accounts of the company submitted to the shareholders for the annual general meeting have been prepared by the Company on the basis of information currently available to the Company, but without independent review of an independent auditor. By consequence it cannot be excluded that, when the audited financial report will be available, such audit report would conclude that the unaudited financial statements do not fully give a true and fair image of the current financial position of the Company. In such scenario, the board of directors of the Company may consider convening a general meeting to resolve on updated annual financial statements.
