Padlewskiego 18C, 09-402, Poland.

The agenda of the extraordinary general meeting of shareholders is the following:

1. Amendment of the articles of association of the Company and approval of the new version of the articles of association of the Company;
2. Reduction of the number of shares of the Company without nominal value;
3. Cancellation part of the shares of the Company without nominal value;
4. Share capital reduction.

The supervisory board of the Company has approved the agenda of the extraordinary general meeting presented by the Management Board, and makes the following proposals to the extraordinary general meeting of shareholders of the Company:

### **1. Amendment of the articles of association of the Company and approval of the new version of the articles of association of the Company**

1.1 The Shareholders shall amend and approve the new Articles of Association in order to decrease the share capital and the number of shares of the Company.

1.2 In connection therewith, to amend subsection 2.1 and 2.4 of the articles of association of the Company in the new wording as follows:

*"2.1. The minimum amount of share capital of the Company is 700 000 (seven hundred thousand) euros and the maximum amount of share capital is 2 800 000 (two million eight hundred thousand) euros."*

*"2.4 The minimum number of the shares of the Company without nominal value is 7 000 000 (seven million) shares and the maximum number of the shares of the Company without nominal value is 28 000 000 (twenty-eight million) shares."*

1.3 To approve the new version of the Company's articles of association with the above amendments.

### **2. Reduction of the number of shares of the Company without nominal value**

2.1 In order to make a positive impact on the valuation of shares, stabilize the price, improve the liquidity of trading and in order to avoid the possible qualification of the Company's shares to the segment of the list of alerts of the Warsaw Stock Exchange, the Chair of the meeting proposed to vote in favour of the resolution to reduce the number of shares of the Company without nominal value and to amend the articles of association of the Company as follows:

to reduce the number of shares of the Company without nominal value from 303 750 000 shares to 10 125 000 shares without altering the share capital of the Company, by replacing proportionally 303 750 000 shares without nominal value with a book value of 0.10 euros per share with 10 125 000 new shares without nominal value with a book value of 3.00 euros per share.

2.2 The execution of these resolutions is vested in the Company's Management Board. The Management Board is authorised and obliged to file any documents and take any and all legal actions, including actions not mentioned in these resolutions, which directly or

indirectly lead to fulfilling provisions of these resolutions. In particular, the Management Board is authorized and obliged to carry out the reduction of the number of shares of the Company without nominal value as follows: thirty (30) Company's shares without nominal value with a book value of EUR 0.10 per share will be replaced by one share without nominal value with a book value of EUR 3.00 per share.

- 2.3 The Management Board is authorised to indicate the date ("**Reference Date**") on which, according to the number of shares held on each shareholder's securities account, the new number of shares with a book value of EUR 3.00 euros per share will be set out.
- 2.4 Possible shortages will be covered at the expense of the rights held by Patro Invest OÜ, a limited liability company duly incorporated and validly existing under the laws of Estonia, Estonian registry code 14381342, seat Tornimäe 5, 10145 Tallinn, Estonia. Patro Invest OÜ is a shareholder who renounced the securities rights for free on the account of the shareholders having shortages but only to the extent necessary to cover the shortage and to allow the shareholders to receive one (1) share with the new book value of EUR 3.00. Patro Invest OÜ will cover the shortage on condition that the extraordinary general meeting passes these resolutions on reduction of the number of shares of the Company without nominal value on given terms, amending the articles of association of the Company, its registration by the Estonian Commercial Register and indication by the Management Board the Reference Date, and also with effect on the date when (1) Nasdaq CSD Branch in Estonia and (2) Central Securities Depository of Poland (Krajowy Depozyt Papierów Wartościowych S.A. or KDPW) carry out the procedures necessary to effectuate the reduction of the number of shares of the Company without nominal value. Therefore, as a result of the reduction of the number of shares of the Company, each Shareholder having shortages on the Reference Date (it means a shareholder holding from 1 to 29 shares with a book value of EUR 0.10), will become entitled to receive one (1) share with a book value of EUR 3.00 instead of shares resulting in shortage. At the same time, the rights of Patro Invest OÜ to receive shares with a new book value of EUR 3.00 instead of held shares with a book value of EUR 0.10 on the Reference Date will be reduced by the amount of shares necessary to cover the shortages. Shareholder who will have minority stakes will not be charged with the tax cost because of the low taxable amount. If it occurs that covering of all shortages will not be possible in described way, then the process of the reduction of the number of shares of the Company without nominal value cannot be completed.
- 2.5 The shareholders of the Company are requested to check the amount of the shares held on the securities accounts and adjust their structure so that on the Reference Date, the amount of the shares will be single or a multiple of 30 shares. The Management Board shall indicate to the shareholders the Reference Date in the form of a current report. If the Management Board will not indicate any date then it is considered that the shares shall be adjusted by 7 March 2025. This procedure reduces the risk of failure of the merger process of the reduction of the number of shares of the Company without nominal value by inability to fulfil the provisions of these resolutions.
- 2.6 The Management Board of the Company is authorised and obliged to take all legal and organizational actions connected with changing the book value and amount of the Company's shares in the Estonian Commercial Register, Nasdaq CSD Branch in Estonia and KDPW. These changes will be registered and kept on each shareholder's securities account. This will be done by the systems operated by Nasdaq CSD Branch in Estonia and KDPW, respectively.
- 2.7 The Management Board of the Company is authorised and obliged to submit to WSE an application to suspend continuous trading in order to carry out the process of the reduction of the number of shares of the Company without nominal value. Period of suspension shall be previously agreed with KDPW.
- 2.8 Sections 2.1 and 2.2 of these resolutions shall enter into force on the moment the entries pertaining to the date of amending the articles of association and the new amount of the number of shares of the Company without nominal value, filed under the adopted resolutions provided in sections 2.1 – 2.2 of these resolutions above, have been made in

the Estonian Commercial Register. The other part of these resolutions enters into force at the moment of their adoption.
